

PUBLIC MEETING ANNOUNCEMENT

Title: Pre-Submittal meeting for Duke Fleet plants McGuire, Catawba and Oconee proposed Non-Loss of Coolant Accident Methodology License Amendment Request

Date(s) and Time(s): November 10, 2026, 01:00 PM to 02:30 PM

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting is to discuss with Duke Energy Carolinas, LLC (the licensee, Duke Energy) a proposed future license amendment request (LAR) for McGuire Nuclear Station, Catawba Nuclear Station, and Oconee Nuclear Station to address updates to the following in-house methodology reports supportive of Non-Loss of Coolant Accidents of : DPC-NE-3000, "Thermal-Hydraulic Transient Analysis Methodology," DPC-NE-3001, "Multidimensional Reactor Transients and Safety Analysis Physics Parameters Methodology," DPC-NE-3002, "UFSAR Chapter 15 System Transient Analysis Methodology," and DPC-NE-3004, "Mass and Energy Release and Containment Response Methodology."

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
