P R O C E E D I N G S

CHAIRMAN NIEH: Thank you very much, operator. Good afternoon, everyone. This is Chairman Nieh of the Nuclear Regulatory Commission, and today we're holding a public affirmation session that we're conducting via teleconference, and I'm going to turn it over to the Commission's Secretary, Mr. Jody Martin, to guide us through the meeting.

JODY MARTIN: Thank you, Chairman. Joining us today are the other currently serving members of the Commission. May I have each Commissioner please affirm their presence when I call their name:

Commissioner Wright, Here

Commissioner Crowell, Present

Commissioner Marzano, Here

Commissioner Weaver, Here

Also participating this afternoon is:

Matt Pociask, the General Counsel. Here

This meeting is open for the public to listen in.

Today, we have one item for affirmation, it is SECY-26-0124: Long Mott Energy, LLC (Long Mott Generating Station); Appeal of Board Decisions Resulting in Termination of Proceeding. The Commission is being asked to act on a Memorandum and Order addressing the petition for review filed by San Antonio Bay Estuarine Waterkeeper. In the petition, Waterkeeper seeks Commission review of six Atomic Safety and Licensing Board decisions that

cumulatively resulted in the denial or dismissal of all its contentions in the Part 50 construction permit proceeding involving the Long Mott Generating Station and which terminated the adjudicatory proceeding.

The Commission has voted to approve a Memorandum and Order that denies the petition for review.

Would you please affirm your votes after I call your name?

CHAIRMAN NIEH: Aye.

COMMISSIONER WRIGHT: Aye.

COMMISSIONER CROWELL: Aye.

COMMISSIONER MARZANO: Aye.

COMMISSIONER WEAVER: Aye.

JODY C. MARTIN: Would any of the members of the Commission like to make comments regarding the decision just reached? Alright, hearing none, thank you for your participation today. I will now call the affirmation session to a close.
