PUBLIC MEETING ANNOUNCEMENT

Title: Watts Bar Nuclear Plant, Units 1 and 2, License Renewal Safety Review

Date(s) and Time(s):

December 09, 2026, 09:30 AM to 11:00 AM

Location: Hybrid
11555 Rockville Pike

Rockville MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting between the U.S. Nuclear Regulatory Commission (NRC) and Tennessee Valley Authority (TVA) is to discuss the upcoming initial license renewal application safety review for Watts Bar Nuclear Plant, Units 1 and 2, in consideration of SECY-25-0104, “Subsequent License Renewal Efficiency." Specifically, TVA would like to discuss with the NRC efficiency concepts from SECY-25-014 that may be applied to the review of the Watts Bar initial license renewal application.

Participants:

NRC	External
Nuclear Reactor Regulation	Tennessee Valley Authority

Docket No:

05000391
05000390

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
