Harold B. Ray, Executive Vice President  
Southern California Edison Co.  
San Onofre Nuclear Generating Station  
P.O. Box 128  
San Clemente, California 92674-0128

SUBJECT: 1999 EMERGENCY PREPAREDNESS EXERCISE EXTENT OF PLAY AND  
OBJECTIVES

Dear Mr. Ray:

We have reviewed your letter dated July 29, 1999, and the enclosed extent of play and objectives for the San Onofre Nuclear Generating Station emergency plan exercise scheduled for October 27-29, 1999.

Based on our review, we determined that the exercise extent of play and objectives are appropriate to meet emergency plan requirements. Two of the exercise objectives were discussed further with Mr. M. Gutell of your staff on August 27, 1999. Mr. Gutell provided satisfactory responses.

We contacted the Federal Emergency Management Agency Region IX during our review. Mr. R. Echavarria had no comments for us to relay to you.

Should you have any questions concerning this letter, please contact Mr. Harry Freeman of my staff at (817) 860-8239.

Sincerely,

Gail M. Good, Chief  
Plant Support Branch  
Division of Reactor Safety
