

October 14, 1999

MEMORANDUM TO: Chairman Dicus

FROM: William D. Travers original /s/ by  
Executive Director for Operations

SUBJECT: UPDATE TO STAFF RESPONSE TO TASKING MEMORANDUM AND  
STAKEHOLDER CONCERNS

Attached for your information is the staff's October update to the plan of short- and long-term actions to respond to selected issues raised during the July 30, 1998, hearing before the Senate Subcommittee on Clean Air and Wetlands, Private Property, and Nuclear Safety and the July 17, 1998, Commission meeting with stakeholders.

Additions and changes to the September 1999, update are marked in redline and strikeout. Minor editorial changes have not been highlighted. Explanations for changes are provided in the associated remarks.

Since the September update, the following significant milestones have been completed:

- I. Conducted ACRS subcommittee briefings on the subject of risk informing Part 50.
- II. Published the final rule change to 10 CFR 50.59, 72.48 and related sections.
- III. Obtained Commission approval for publication of Regulatory Guide 1.181, Contents of the Updated Final Safety Analysis Report in accordance with 10 CFR 50.71(e).
- IV. Issued the improved standard technical specification license amendment for Fermi 2.
- V. Issued the final standard review plan on foreign ownership.

Attachment: As stated
