COMMITMENT RESOLUTION LETTER #20
DOCKET NO. 72-22 / TAC NO. L22462
PRIVATE FUEL STORAGE FACILITY
PRIVATE FUEL STORAGE L.L.C.

Reference: PFS Letter, Donnell to U.S. Nuclear Regulatory Commission, Commitment Resolution Letter #18, dated October 13, 1999

In a phone conversation that took place on October 7, 1999 between Private Fuel Storage (PFS), Stone and Webster (S&W), the NRC, and the Center for Nuclear Waste Regulatory Analysis (CNWRA), the NRC/CNWRA raised several questions and comments concerning the aircraft crash hazard assessment at the Private Fuel Storage Facility (PFSF). In the referenced letter, PFS documented these questions and comments as items 1 through 5, and committed to responding by October 22, 1999, to the extent information requested from the Air Force necessary for responding had been received. The PFS responses are enclosed. Not all the information requested from the Air Force has been received, and PFS will supplement its responses when it receives this additional information.

If you have any questions regarding this response, please contact me at 303-741-7009.

Sincerely,
