SUBJECT: 1999 EMERGENCY PREPAREDNESS EXERCISE SCENARIO

Dear Mr. Ray:

We have reviewed your letter dated August 27, 1999, and the enclosed extent of play, summary and scenario data for the San Onofre Nuclear Generating Station emergency plan exercise scheduled for October 27-29, 1999. Based on our review, we determined that the exercise scenario events and data are appropriate to meet emergency plan requirements.

We contacted the Federal Emergency Management Agency, Region IX, during our review. Mr. R. Echavarria had some comments concerning offsite radiological parameters. Those comments were resolved in an October 19, 1999, conference call.

Should you have any questions concerning this letter, please contact Mr. William Maier of my staff at (817) 860-8126.

Sincerely,

Gail M. Good, Chief

Division of Reactor Safety
