Gentlemen:

This refers to your recent application for renewal of AEC License No. 37-02567-03, which expired July 31, 1974.

Enclosed is a copy of the license fee schedule. Please note \$170.31, Footnote 3, which states that "Applications for reissuance of licenses that have expired because a timely renewal application was not filed must be accompanied by the prescribed application fee." Since a timely renewal application was not filed for License 37-02567-03, an application fee of \$50 is required. Payment should be made to the U. S. Atomic Energy Commission and mailed to my attention.

We will be pleased to process your application upon receipt of the above fee.

Sincerely,

Signed, C. James Holloway, Jr.
