MEMORANDUM TO: Paul H. Lohaus, Director  
Office of State Programs

FROM: James Turdici, Director  
Division of Accounting and Finance  
Office of the Chief Financial Officer  
Original /s/ James Turdici, Director

SUBJECT: FINAL RULE -- 100 PERCENT RECOVERY -- FY 1999

Attached is a copy of the June 10, 1999, Federal Register Notice of Final Rulemaking relating to the FY 1999 NRC license, inspection and annual fees. The effective date for the final rule is August 9, 1999.

Because the proposed rule solicited comments on two potential annual fee schedules, we are mailing the final rule to all NRC licensees, Agreement States, and Non-agreement States. However, it is requested that OSP notify the Agreement States to make distribution of the final rule to their licensees since the final rule will assess fees to those Agreement State licensees who perform work in Non-agreement States under the reciprocity provisions of §150.20.

We do not plan to routinely mail final rules to licensees and the States in the future, but will continue to mail the proposal fee rules as a courtesy. Copies will, of course, be sent upon request.
