RE: FOIA REQUEST
SITE: 170 W. PROVIDENCIA
BURBANK, CALIFORNIA

Dear Ms. Hernandez,

I am conducting an insurance coverage investigation, which involves the above referenced site. As part of the investigation I would like to obtain copies of AEC licenses issued to the following entities for use at the 170 W. Providencia site from 1956 to approximately 1962.

- Research Chemicals, Inc. Source Material License
C-04013 (40-02370)
- Nuclear Corporation of America
- Nucor
- Rhone-Poulenc

According to the information I have, Research Chemicals became a division of Nuclear Corporation of America in 1958, which later became Nucor. Nucor sold the Research Chemical Division to Rhone-Poulenc in 1988.

In addition to copies of any licenses I would like to obtain copies of any inspection reports, permits and correspondence relating to these entities at the 170 W. Providencia site.

I appreciate your assistance and thank you for your cooperation in this matter.

Sincerely,

Joe Bommarito
