Dear Sir or Ms.,

This is a request under the Freedom of Information Act, 5 U.S.C. 552a. We hereby request a copy of the U.S. NRC license permit for the Sierra Army Depot located in Herlong, CA.

The Freedom of Information Act provides for a waiver of the fees associated with a request, if release of the records would be in the public interest. I hereby apply for such a waiver.

The Rural Alliance for Military Accountability is a non-profit, tax exempt research and public education organization concerned with national and military issues. RAMA acts as a clearinghouse for technical information on the environmental impacts of the DOD's land and airspace use. All documents will be cataloged and placed in the library and/or posted on our website at www.rama-usa.org. Copies of the documents themselves will be made available at no charge to anyone who desires access to them.

For all these reasons, I ask for a waiver for all fees. Thank you for your attention in this matter.

Sincerely,

Grace Potorti
