Subject: Request for reduction in UFSAR #s

Keith

In a recent conversation with Brenda Shelton she indicated that I should e-mail you with a request to reduce the number of copies of the UFSAR that we routinely send you. We intend to try to send an electronic version of our annual UFSAR update to you this year and would like to reduce our paper copies. I believe that we can ask for a waiver (I think) and that this e-mail should suffice.

Please let me know if I caught what Brenda was telling me correctly and if I need to do anything else.

Thanks in advance for any help you can give me.
