Concerning: Export license

November 4th 1999.

Dear Mrs. Wright,

Further to our telephone conversation, I hereby confirm that Sogem USA Inc. wishes to amend the application for license to export nuclear material and equipment submitted on September 30th (your reference XSOU8772).

We would like to remove from the list of ultimate foreign consignees the following company:

NINGXIA NON-FERROUS METALS IMP & EXP CORP.
PO Box 105 Shizuishan City
NINGXIA 753000 PR CHINA

Thanks in advance to keep us informed of the expected time of issuance of the license.

Kind regards,

Donatienne Bailleux
Sogem USA Inc.

Subject: Export licence for tantalum your ref XSOU8772 (Oct. 12)

> Dear Mrs Wright,

>

> Further to our telephone conversation last Monday, I further
> investigated on the possibilities for the Tantalum and Columbium Minerals
> to go to China. I have been confirmed that it will not be shipped or used
> in China. The ultimate foreign consignee will be S.A. Minerals LTD in
> Thailand as referred in our application form dated Sept 30th.

>

> Could this confirmation/change accelerate the export licence
> procedure ?

>

> Kindly confirm.

>

> Thanks and kind regards,
