Subject: Docket No. 50-482: Senior Reactor Operator License and
Reactor Operator License Renewals

Dear Mr. Merschoff:

Wolf Creek Nuclear Operating Corporation requests that Senior Reactor Operator and Reactor Operator Licenses for Wolf Creek Generating Station be renewed for the following personnel:

Senior Reactor Operator:

Robert P. Evenson

Reactor Operator:

James J. Black
David L. Walsh

The above personnel require a license for the performance of their duties at Wolf Creek Generating Station. Each of the applicants has satisfactorily completed the appropriate requalification program during the effective term of his current license. Additionally, each applicant has discharged his license responsibilities competently and safely. A completed NRC Form 396 and 398 are enclosed for each applicant.

If you have any questions concerning this matter, please contact me at 316 364-4048, or Mr. Mike Angus at 316 364-4077.

Very truly yours,

Clay C. Warren
