MEMORANDUM TO: Mary Lynn Scott, Chief
Property and Acquisition Oversight Branch
Division of Contracts and Property Management
Office of Administration

FROM: 
Brenda J. Shelton, Chief
Records Management Branch
Office of the Chief Information Officer

SUBJECT: 48 CFR PART 20, NRC ACQUISITION REGULATION, FINAL RULE

The Office of the Chief Information Officer has reviewed the subject final rule and concurs in it. However, the rule contains information collection requirements which have not yet received OMB approval. Therefore, the rule has been placed on hold with the Rules and Directives Branch until OMB approval for the information collections contained on NRC Form 445 is received. Although we have requested expedited approval from OMB for NRC Form 445, OMB has until July 18, 1999, to make its decision.

When OMB gives its approval for NRC Form 445, please revise the Paperwork Reduction Act Statement and section 2001.105(c) to add the OMB approval number for the form. Should you have any questions, please contact Beth St. Mary at 415-5878.
