Susan,

OMB has given approval for NRC Form 445 that is referenced in the final NRCAR rule. Please change the last line of the Paperwork Reduction Act Statement on page 8 of the rule to read "...approval numbers 3150-0169 and 3150-0193." Change the second line on page 19 to read "control number 3150-0193." With these changes OCIO releases the final rule for publication.
