Safeguards Branch
Division of Fuel Cycle Safety
and Safeguards, NMSS

SUBJECT: XCOM-1133, EXPORT OF COMPONENTS FOR USE IN VARIOUS
COUNTRIES LISTED IN 10 CFR PART 110.26(a)

We have reviewed the subject export application and provide the following international safeguards information for your consideration. This case involves the export to various countries of specially designed or prepared components for 1) testing purposes, 2) qualification, 3) use as models, 4) training purposes, or 5) manufacture.

All of the countries listed in Part 110.26(a) are parties to the Non-Proliferation Treaty and, as such, accept IAEA safeguards on all source and special nuclear material in their nuclear activities. Nuclear components, however, are not subject to IAEA safeguards while in NPT countries under Article III(2) of the Treaty.

There are no physical protection requirements applicable to this export.
