NOTE TO: Tony DiPalo, NMSS/IMNS

As requested, OCFO has reviewed the proposed final rule "Expand Applicability of 10 CFR Part 72 to Holders of, and Applicants for, Certificates of Compliance, and their Contractors and Subcontractors" that will clarify the existing language to make clear that appropriate requirements in Part 72 are applicable to this category of persons. OCFO concurs in the rulemaking package with the inclusion of a RESOURCES section in the Commission paper, as follows:

"RESOURCES:

Resources to complete the rulemaking and implement the rule are included in the current budget."
