Cynthia - I talked to Brunswick and they do want to see the draft BO. I drafted the attached letter and provided our concurred upon copy to Dave Trimble for him to sign. Would you please draft up a letter going from Frank Akstulewicz to NMFS providing our comments (the ones that you noted) on the draft and have a statement that the Brunswick comments are attached so we can just add them as soon as we get them. thanks
Also got another message from NMFS I'll forward.
