RE: Dr. J. Marcus Lee

To Whom It May Concern:

This letter is being written to verify that Dr. J. Marcus Lee served as an observer in the department of Nuclear Medicine at Northwestern Memorial Hospital, Chicago, Illinois, between Monday July 27, through Friday July 31, 1998. During this time, Dr. Lee attended all departmental reading sessions and other clinical conferences, including both general Nuclear Medicine and Nuclear Cardiology procedures. He was present in the department between the hours of 8:00 AM to 5:00 PM daily.

Dr. Lee's experience in the department was intended to serve as a continuing medical education activity. However, it should be noted that the department of Nuclear Medicine at Northwestern Memorial Hospital does not have a formal Visiting Fellowship CME Program.

Please feel free to contact me if any further information is required.

Sincerely,
