Dear Mr. Jack Caravelli

Reference is made to your letter of 21 October 1999, from the Department of Energy regarding the proposed export by Westinghouse Electric Company, Monroeville, U.S.A., to the Institutt for Energiteknikk, 1751 Halden, Norway, of 245 grams of uranium dioxide pellets.

The Government of Norway hereby confirms that:

1. the transfer of the material, as identified on the license application, will be subject to all the terms and conditions of the U.S. - Norway Agreement for Cooperation between the Government of the United States and the Government of Norway.
2. Institutt for Energiteknikk, Halden, is authorized to receive and possess the material.

Please also find enclosed a confirmation from the Institutt for energiteknikk in this regard.

Sincerely,

Jostein Bernhardsen
Deputy Director GeneralAnne Kari Husum
