Subject: Please

99 05 17 2 17

Dear Sirs,

I am writing in regards to the proposed rule that will increase the level of nuclear waste allowed in recycled metal.

PLEASE DO NOT ENACT THIS RULE!!!

We do not know the effect of long term exposure to low level radiation. Do you want your child's bed, toy or belt buckle to be radioactive? Do you want radioactivity in your cooking pans, silverware or car? Please don't do this.

Thank you,

Dan Rosenberg
