Dear Sirs: 99 DEC 2 P2:54

Please do not allow radio-  
active to be recycled!

Be among those who put the  
welfare and safety of all citizens  
above the "Bottom Line" of some  
corporations.

Please continue to require  
safe storage of radio-active waste.

No one in the USA needs to be  
exposed unknowingly to such  
harmful substances.

Please use this occasion as an  
opportunity to stand for the rights  
& good of people against the tempta-  
tions of the \$, Thank you,  
Ann Bugg
