Subject: Clinton Power Station (CPS)  
Facility Operating License No. NPF-62 (LA-99-007)  
Application for License Transfer and  
Conforming Administrative License Amendment

Dear Mr. Collins:

In accordance with Condition (14), set forth in the NRC Order dated November 24, 1999, approving the transfer of the license for the Clinton Power Station (CPS) from Illinois Power Company (IP) to AmerGen Energy Company, LLC (AmerGen), this letter hereby notifies the NRC that IP and AmerGen have received the regulatory approvals required in order to transfer ownership of CPS and operating authority for CPS to AmerGen. (Certain administrative approvals of the transfer of permits or licenses related to CPS operations are expected to be received on or about the date of closing, and certain conditions of closing may be waived.) This letter also hereby notifies the NRC that the date of the closing of the sale and transfer of CPS is December 15, 1999.

If NRC requires additional information concerning the transfer of CPS and/or the required regulatory approvals, please contact Mr. Michael A. Reandeau, Director-Licensing, CPS, at (217) 935-8881, extension 3448.

Sincerely yours,
