SUBJECT: OPERATOR LICENSING WORKSHOP SUMMARY ADDENDUM

Dear Mr. Hickok:

This letter is to notify the Middle Atlantic Nuclear Training Group (MANTG) that the operator licensing workshop summary letter dated October 22, 1999 was issued without the page denoting the breakout session summary for ES 500. The missing page is attached to this letter and should have been included as part of Enclosure 1 in the original summary.

We apologize for this inadvertent omission and any questions it may have caused. Once again, we appreciate the continued support, and the active participation of all members of MANTG in discussing operating licensing issues.

If you have any further questions, comments, or need additional information, please contact me at (610) 337-5183.

Sincerely,

ORIGINAL SIGNED BY:

Richard J. Conte, Chief
Human Performance and
Emergency Preparedness Branch
Division of Reactor Safety
