

DOCKET NUMBER  
PROPOSED RULE **PR 20**  
(64FR35090)

99 DEC 6 P2:49

508 N.W. Murray  
Lee's Summit, MO 64081  
December 2, 1999

Sec. U.S. Nuclear Regulatory,  
Washington, D.C. 20555  
Attn Rulemaking & Adjudications Staff,

Dear Officials,

I am concerned to learn of the plan to recycle  
radio-active materials.

Under no circumstances should the population of  
our nation be exposed to such a process.

Such a harmful process should be shelved at  
once!

Respectfully Yours,

Eugene A. Trice
