November 9, 1999

Dear Sir:

In compliance with U. S. Nuclear Regulator Commission no. 11-99-50 dated October 19, 1999, I wish to speak at the Chapel Hill, NC meeting on December 8th between 7-9:30 P.M., in favor of CP&L's request to store spent fuel.

For the record, I am retired after serving more than 30 years in public education. The last 25 years were spent as Dean of Students at Central Carolina Community College, Sanford, NC.

I am in my 7th year as a Lee County Commissioner, with two years as chair. I do not plan to speak for the Lee County Board of Commissioners; only as a private citizen whose family and farm are within 3 - 5 miles of the Harris Plant.

Thank you for holding a public hearing on this matter and allowing citizen input.

Sincerely,

Hubert Garner
