To whom it may concern,

I am a teacher at Knightdale Elementary School. I would like to speak at the hearing regarding the expanding of the spent fuel storage.

I would like to speak at the Tuesday, Dec. 7th evening hearing at the McKimmon Conference Center.

Please let me know some type of confirmation as whether I will be speaking or not. You can call my school (266-8540) and leave a message, leave a message at my home (266-3354), or e-mail me back at R72377@aol.com
