Dear Ms. Wright,

Attached please find two Export License Renewal Applications from CERAC, inc.

These Renewal Applications are submitted to extend existing applications that expire December 31, 1999.

Along with the Renewal Applications you will find a check for \$2200.00 to cover the two application fees.

If you have any questions or comments during the processing of these applications, do not hesitate to call me at (414) 289-9899 x277.

Thank you,

Gerard E. Manley
