Dear Mr. Parrott:

Subject: Amendment Request for License STB-527

The Dow Chemical Company is requesting an amendment change to their license STB-527. The amendment will incorporate recent revisions to the Radiological Health and Safety Plan and the corresponding Standard Operating Procedures. I would appreciate your prompt review of these requested changes and the processing of a license amendment to reflect this change.

If you have any questions regarding the information enclosed please let me know.

Sincerely,

A handwritten signature in black ink that reads "Ben Baker". The signature is fluid and cursive, with a large initial "B" and a long, sweeping underline.
