UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

December 3, 1999

Dr. Belinda L. Collins, Chair
Interagency Committee on Standards Policy
National Institute of Standards and Technology
100 Bureau Drive
Bldg. 820, Room 282
Gaithersburg, MD 20899-2100

Dear Dr. Collins:

Enclosed is the Nuclear Regulatory Commission's annual report on its participation in the development and use of voluntary consensus standards as required by OMB Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities." The annual report covers the period October 1, 1998, through September 30, 1999. This report has also been transmitted to you by e-mail.

If you have any questions concerning the enclosed report, please contact Mr. John W. Craig, NRC Standards Executive, at (301) 415-5678 or at jwc1@nrc.gov.

Sincerely,

Richard A. Meserve

Enclosure: As stated

DF03.
