United States Atomic Energy Commission
Washington, D. C. 20545

Dear Sir:

Please advise as to the current status of agreement states which are now in effect.

Having corporate responsibilities for radiation safety administration, it is important that our staff be kept advised of the current changes in the various states' responsibilities and the names of persons to contact in our future dealings with them.

Thank you for your assistance.

Sincerely,

A. A. Mammarelli

A. A. Mammarelli, Jr.
