Attention: Mr. W. A. Wilson
Radiation Officer

Gentlemen:

This refers to your application for authorization to possess and use a Minnesota Mining and Manufacturing Corporation Model 3L2A sealed source containing one curie of Promethium 147 in an Industrial Nucleonics Corporation Model RBLK gauge. We are presently evaluating the design of the Model 3L2A source to determine if it is acceptable for licensing. We shall act on your application immediately after we have completed our evaluation of the Model 3L2A source.

Sincerely yours,

Robert E. Brinkman
