Peter,

I've sent you copies of the Decommissioning Plan (DP) for the Jefferson Proving Ground (JPG) site in Indiana, and some other info. I hope that you received them. I've attached the Federal Register Notice memo for administratively accepting the JPG DP. Please provide me your comments and/or concur on the memo. I do know that there's a date missing on the first page of the attachment, and I'll have to fill that in later. May you respond by 11/23/99? If you can't, please let me know.

Thanks,
Sherry
