Subject: Limerick Generating Station NPDES Permit No. PA 0051926
NPDES Permit Renewal Application - Revised Line Drawing

Dear Mr. Garg:

Enclosed are four (4) copies of the revised line drawing for the Limerick Generating Station NPDES permit renewal application. Please review the drawing and update our NPDES permit application accordingly.

A copy of this letter (including any attachments or enclosures) is being provided to the U.S. Nuclear Regulatory Commission (USNRC) in accordance with the Limerick Generating Station, Units 1 and 2, Environmental Protection Plan, Section 3.2. The plan stipulates that the USNRC shall receive a copy of any proposed changes to the NPDES permit at the same time that the permitting agency is notified.

If you have any questions concerning the diagram or require additional information, please contact me at (610) 640-6353.

Sincerely,

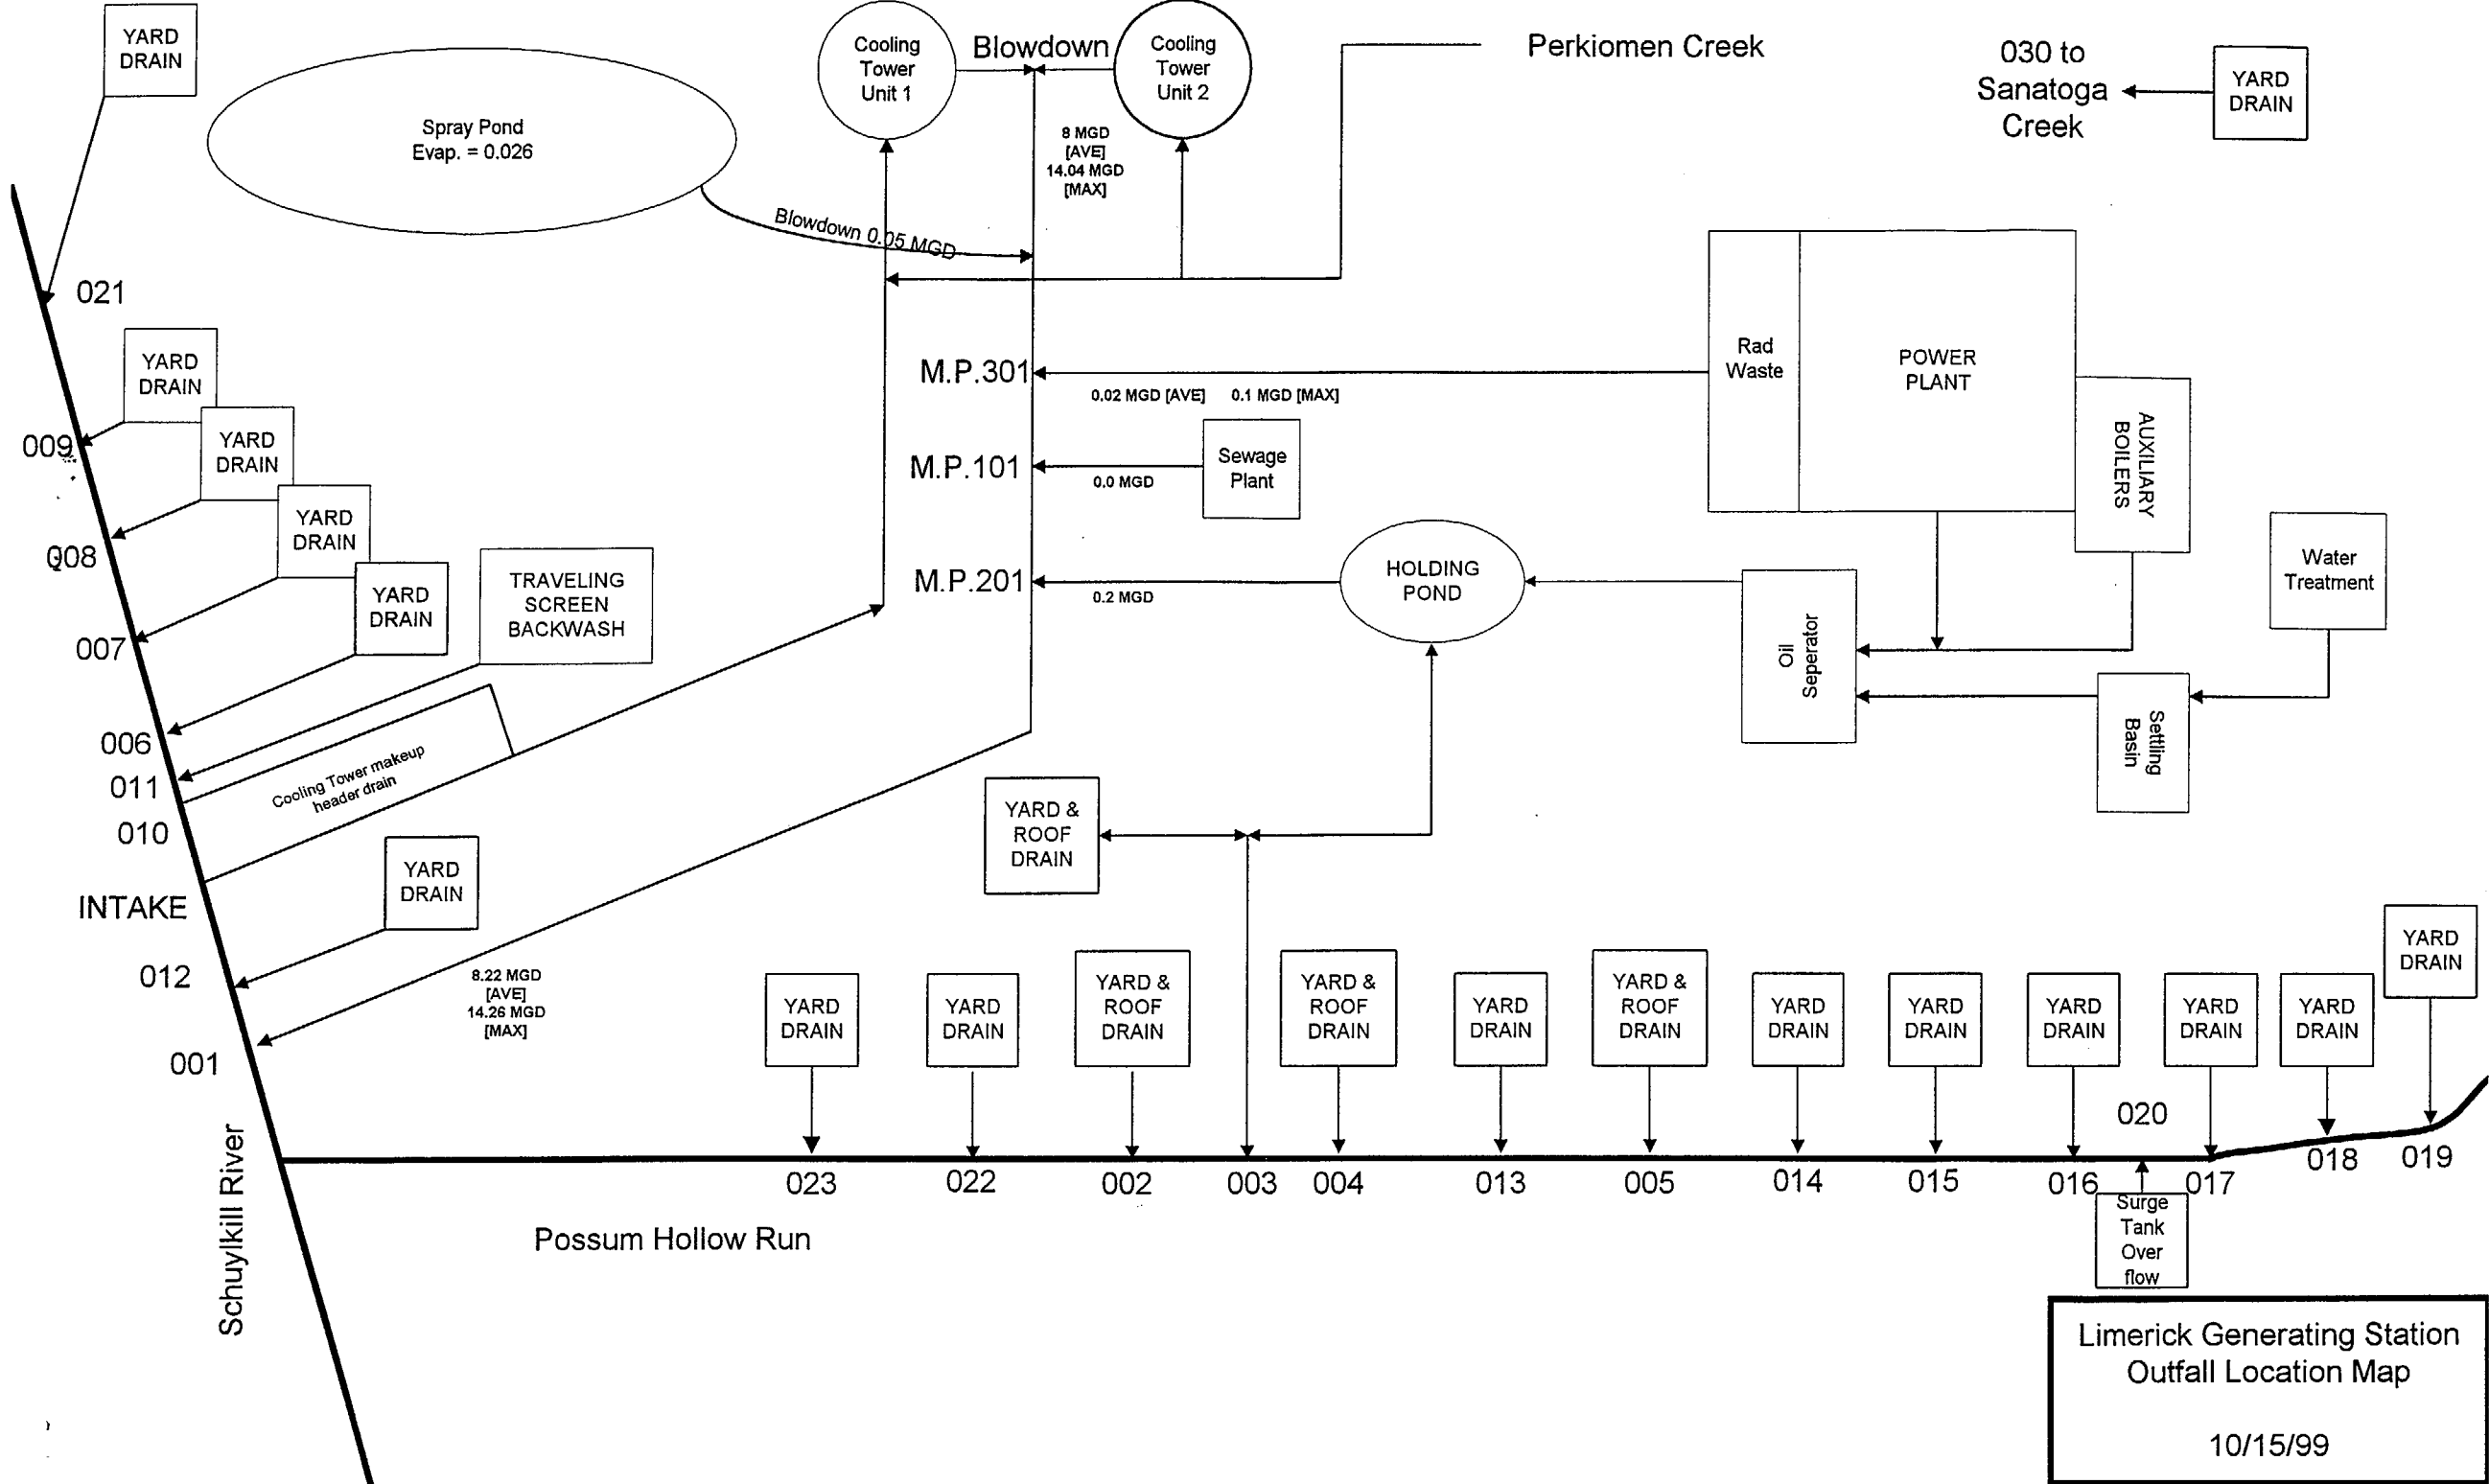

Robert M. Matty, Jr.
Manager
Environmental Management Group
