**SUBJECT: UPCOMING WEST VALLEY DEMONSTRATION PROJECT DELIVERABLES  
FOR U.S. NUCLEAR REGULATORY COMMISSION REVIEW**

Dear Ms. Mazurowski:

Thank you for your letter of October 8, 1999, in which you enclosed a list of documents that the West Valley Demonstration Project will be forwarding to the U.S. Nuclear Regulatory Commission. This description of coming documents and the prioritization of them helps us plan for future West Valley activities. At this point, I can not commit to the expedited review schedule for some of the documents described in your letter until my staff has an opportunity to assess them.

Please let us know if you need any help from us in determining your environmental impact statement schedule. Also, please keep us updated on any changes to this schedule as we will be relying on it to budget our resources for West Valley.

If you have any questions, please contact Jack Parrott, of my staff, at 301-415-6700.

Sincerely,
