Subject: Request for Waiver of 3-Day Notice for Testing Engineers - San Diego, Inc.,  
7895 Convoy Court, Suite 18, San Diego, California 92111  
Filing of NRC Form 241

Dear Ms. Hernandez:

Pursuant to discussions that we had with Mr. Jeffrey Cruz this week in your absence, we are sending this letter to request a waiver of the 3-day advance notice for each of our generally licensed activities. We request this waiver given the transient nature of our business. As is typical in our industry, we often don't know where our services will be needed until the day prior to or the day of testing.

As an alternative to the 3-day advance notice, we propose to implement a policy wherein we notify your office via facsimile the day before, or the day of the licensed activities. We intend to use a form similar to the draft form attached herein.

We thank you in advance for your continued assistance with this process. Please feel free to contact Doug Provins with any questions that you may have at (858) 715-5800.

Respectfully submitted,
