7895 Convoy Court, Suite 18, San Diego, California 92111

Dear Ms. Hernandez:

We are sending this letter to update Table 1 on the next page. In our original submittal on November 11, 1999, we had inadvertently forgotten to include the Barstow-Daggett Airport in Barstow, California as one of our work locations. We have been working at that location since our reciprocity license was issued.

We thank you again for your assistance with this process. Please feel free to contact Doug Provins with any questions that you may have at (858) 715-5800.

Respectfully submitted,
TESTING ENGINEERS - SAN DIEGO, INC.
