

DOCKET NUMBER  
PROPOSED RULE **PR 20**  
(64FR35090)

Joseph A. Abbott, M.D.  
1870 Jackson Street, #502  
San Francisco, California 94109

195

Secretary, U.S. Nuclear Regulatory Commission  
Washington D.C. 20555

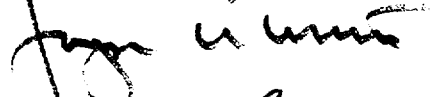

DOCKETED  
USNRC

'99 DEC 13 AS:25

Attention: Rulemaking and Adjudications Staff  
Re: Recycling Radioactive Waste

We are totally and unequivocally  
opposed to any amount of radioactive  
waste being recycled into consumer  
products. This radioactive waste should  
be stored in a responsible manner,  
not injected back into new products.  
No dose is acceptable.

Sincerely,

  
Alice Abbott
