Dear Mr. Meyer:

**PUBLIC COMMENTS ON NUREG-1600 REVISION OF NRC ENFORCEMENT POLICY**

TVA has reviewed the revision to the NRC enforcement policy published in the *Federal Register* on November 9, 1999 (64 Fed. Reg. 61142). TVA supports the changes made to the NRC enforcement policy. TVA appreciates NRC's continuing efforts to improve fundamental processes used to support regulation of power reactors. In addition, TVA appreciates the opportunity afforded it to share its ideas on this subject during the various public meetings and workshops associated with the new Regulatory Oversight Process. TVA encourages NRC to finalize the remaining enforcement policy issues for full implementation of the new Regulatory Oversight Process consistent with the approach used during the pilot program.

Sincerely,

Mark J. Burzynski  
Manager  
Nuclear Licensing
