Oak Ridge, Tennessee

Dear Dr. Aebersold:

Your attention is directed to License No. 4-181-5 Amendment No. 1, which states "In accordance with application dated December 1956, License No. 4-181-5 is hereby amended to add the following: Carbon-14; Sodium Bicarbonate, Sodium Acetate, Glycine, and Glutamic Acid".

The original License No. 4-181-5 covered the above listed By-product materials. Our application of December 5, 1956 covered Carbon-14; Glucose, Glutamine, Lactic Acid-1 and Lactic Acid-2.

We believe Amendment No. 1 is in error. Would you please investigate this matter.

Sincerely,

*Nome Baker*
