

DOCKET NUMBER
PROPOSED RULE **PR 20**
(64FR35090)

Mrs. Beatrice N. Young
8566 Fallbrook Circle #705 D ED
Huntington Beach, CA 92646

December 5, 1999
DEC 13 P 3:12

Secretary
U.S. Nuclear Regulatory
Washington, DC 20555

Dear Sir:

I cannot believe that
radioactive materials are being
sold to scrap metal dealers.

Do we have to wait years
until deaths and illness give rise
to a scandal when problems with
radiation are traced back to the
DOE? Please stop!

Sincerely,
Beatrice N. Young
