

Attorney General
Chestnutfield, NY 13017

Secretary, U.S. Nuclear Regulatory Commission
Not since Chernobyl no one act
gaining to do so much to contaminate
a country. We can not allow
recycling of radioactive metals.
The BNFL contracts have to be
canceled. The cost of this will
be enormous. Please reconsider.

99 JUL 14 4:36

DOCKET NUMBER 20
PROPOSED RULE FR
(64FR35090)

220
