I Am Outraged & Afraid  
of your Plans to Recycle  
and Sell to manufacturers  
the Radioactive Waste That  
you goons have Piled Up

What is it (your Stupid) and  
How is it you are Commissioned  
to such important  
positions. Stop this terrible  
Plan. \* Killers. Willful Killers!

My eight year old would  
do better because he is  
honest caring & loving  
and is aware of the horrible  
outcome of this <sup>your</sup> plans.

Stop this vile plan before you  
will kill your own children & grand  
children who will go first.

It's Another Holocaust! Shame!  
Down with the Present Government
