ADJ.

Secretary
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555
Attention: Rulemaking and Adjudications Staff

Dear Sir:

I am writing to express my opposition to the creation of standards that will legalize the large-scale release of recycled radioactive copper, steel, aluminum, and concrete.

Rather than increasing the public's exposure to radioactive materials every effort should be made to decrease and minimize exposure. Exposing anyone to radioactive metals is totally unacceptable and unconscionable.

Sincerely,

Thomas M. Jike
