US Nuclear Regulatory Commission
Washington, DC 20555-0001

COMM
REG
ADJ

Dear Sir;

I am writing to encourage the Nuclear Regulatory Commission to support both, Rule 1 which will guard against human performance degradation due to fatigue by limiting workers hours and Rule 2 which will protect nuclear "whistleblowers" who raise safety concerns. These rules are necessary to protect the nuclear plant workers and the American public.

Very truly yours,

Richard S. Riggs
