

DOCKET NUMBER
PROPOSED RULE **PR 20**
(64FR35090)

DOCKETED

'99 DEC 17 P3:09

I can only think you are a bit out
of your minds to even consider this.

Yours

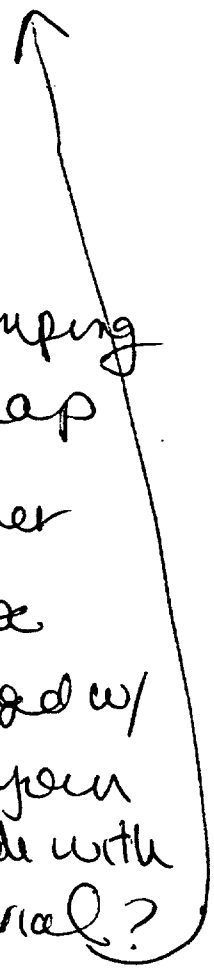

Rachel Epstein

Dear Secretary!

I am opposed to the dumping
of nuclear waste into scrap
metal destined for consumer
goods. Do you want to be
eating from silverware tinged w/
radiation? Or do you prefer your
children's braces to be made with
some of this noxious material?
