DECEMBER 11, 1999

DEAR SECRETARY,
HAVE OUR CORPORATE MASTERS GONE MAD? ARE THEY SO
BLINDED BY GREED THAT THEY CAN'T REALIZE THAT THEY TOO
WILL GET SICK AND DIE YOUNG FROM RECYCLED RADIOACTIVE
COPPER, STEEL, ALUMINUM AND CONCRETE?

NO RADIOACTIVE DOSE IS ACCEPTABLE EVEN WITH
WARNING LABELS! WE CAN ONLY HOPE THAT THE NRC
SUMMONS THE COURAGE TO GO AGAINST ORDERS AND DOES NOT
LEGALIZE THE LARGE SCALE RELEASE OF THESE CONTAMINATED
MATERIALS. PERHAPS YOU AND OTHERS ON THE NRC WOULD
LOSE YOUR JOBS BUT YOU WOULD BE HEROES, SAVING THE
LIVES OF MANY, AND YOUR BRAVE ACTION WOULD BE
HONORED AND REMEMBERED.

SINCERELY,
THE WILSON FAMILY
