U.S. NRC

Washington DC 20555

OFFICE
OF THE
ADJUTANT
GENERALDOCKET NUMBER
PROPOSED RULE

PR 20

(64FR35090)

Dear Sir,

The "recycle and reuse" dogma does NOT include processing radioactive waste & scrap metals through the steel, or any other metal, furnaces used to make consumer products.

Co-lateral damage is not an option.

If you and the DOE/NRC cronies go ahead with this legislation there will be a backlash come re-election time so overwhelming you'll wonder where all the voters have been hiding!

Regards
Paul Buck
