Subject: Radio Active Waste

DUCKETED
12/20/99

'99 DEC 21 A 7:20

Do NOT put radioactive waste in ANYTHING that will come into contact with American consumers. Where, in God's name, is your moral sense? If you proceed with that plan, you will go down in history with the people who experimented on human beings in Dachau and Auschwitz. You are unethical for even considering such an atrocity.
